TO OWNERS OF HORSES AND CATTLE.
Tobias Derry Condition Powder, 40c per box, for the cure of Distemper, Worms, Coughs, Croup, Hoarse, Cold, etc., in Horses, and Coughs, Hoarse, Cold, etc., in Cattle. It is a safe and sure remedy, and no need of stopping the work of your animals. They increase the appetite, give a fine coat, cleanse the stomach and urinary organs, also increase the milk of cows. Try them, and you will never be without them. The late Hiram Woodruff, celebrated trainer of trotting horses, used them for years. Col. Philo P. Bush, of the Jerome Race Course, Fordham, N. Y., would not use them until he was told of them. They are composed, since which he is never without them. He has over twenty running horses, used them for the last three years, and has used no other medicine for them. He has kindly permitted me to refer any one to him. Over 1,000 other references can be seen at the Depot.
Sold by Druggists and Saddlers. Price 25 cents per box. Depot, 10 Park Place, New York.

PECULIAR ADAPTABILITY.—BRANDRETH'S PILLS.
Their peculiar adaptability to all constitutions as cleansers of the bowels and the blood has established their great merit. They restore the liver, the spleen, and the stomach to healthy action when other remedies have been used without producing any benefit. They do not expose those who use them to any danger, being as safe as salt water.
Respectfully recommended by Dr. Brandreth, from C. J. Fay, Esq., P. M., Hammon, N. J.
"In 1881 I was in poor health, and my friends as well as myself supposed that my early work would soon terminate. But, after taking one box of Brandreth's Pills, I began to feel better. Well, sir, when I had used twelve boxes I was a well, healthy man—my weight having gone from 131 pounds up to 165 pounds. I then ordered a supply of Brandreth's Pills, and the present I have retained three thousand dollars' worth of these invaluable pills, and am quite sure that I have thereby been instrumental in saving thousands of lives."
C. J. FAY, P. M.
Sold by all Druggists. Observe my name in white letters in the government stamp.

HEMLOCK'S TID EXTRACT OF BUCHU.—It is with more than usual earnestness that we call the attention of our many readers and friends to the advertisement in another column, of this popular remedy. Earnest as we are in so mentioning it as the concurrent testimony of our scientific physicians, both of Allopathy and Homeopathic practice and of our able and excellent Druggists, that, as a curative agent for disease of the kidneys and urinating organs, there is nothing to equal it.
It is known to all who have made medicine a study, that Buchu, in some form, has for ages past been used as a remedy for the above mentioned disease.—N. Y. Evening Post.

Erie Railway.
THE GREAT THROUGH ROUTE TO THE EAST.—This Company now control and operate thirteen hundred miles of road, extending from Cincinnati, Cleveland, Dunkirk, Buffalo and Rochester to New York.
It is of the six feet gauge, nearly a third wider than other roads, enabling the Company to construct and use coaches correspondingly larger and more comfortable. Its track has been placed in thorough repair by the substitution of Steel Rails at such points as are subjected to the greatest service, and at the highest rate of speed is required to be made.
New and improved Sleeping Coaches accompany all night trains. They are heated by steam, perfectly ventilated, contain spacious and elegant Dressing and State-rooms, and combine all the modern improvements.
Excellent Dining Saloons are located at convenient points upon the line where ample time is allowed for meals.
Three Express Trains daily are run from the western terminus of the road to New York without change, making as quick time as by any other route.
The long distance run without change—800 miles—and the spacious accommodations of its Broad Gauge Coaches, especially commend this route to families and ladies.
Tickets via this popular line can be obtained at principal Ticket Offices throughout the country. 1f

Upper Sandusky LIGHT HOUSE.
Three Doors South of the Van Marter House, Main Street.
W. H. BUFORD
IS PREPARED TO FURNISH
The Rose BURNING FLUID
As a Substitute for all Other Lights.
This article has been fully tested, and is worthy of entire confidence. It makes a clean beautiful light. It will not soil anything to which it is applied. It does not smoke the chimney. It has no unpleasant odor. It is cheap—only 40 cents per gallon. And Best of all it is Perfectly Safe, Being
ABSOLUTELY NON-EXPLOSIVE!
As he shall at any time be willing to have demonstrated.
We also keep on hand Lamps, Chimneys, Burners, and Lanterns of various styles and patterns.
Among the numerous recommendations at our disposal, we select the following:
PHILADELPHIA, Pa., April 23, 1868.
This is to certify that the undersigned, after due examination of B. A. Rose & Co.'s Burning Fluid and process of manufacturing the same, from Gasoline, feels convinced from actual knowledge, that the different ingredients used in making the Rose Burning Fluid does absolutely absorb and abstract all explosive gases, thus rendering the fluid safe and non-explosive. The vapor enduring a temperature of 7000 before it is converted into gas, I regard it safe and secure from those fearful explosions incident to coal oil, and cheerfully recommend it as the best and safest Burning Fluid now before the public.

Prof. of Chemistry and Practical Coal Oil Refiner.
